**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in a place where I have options for providers, which has allowed me to choose one that works best for my family. I am writing because I want you to enact policies that will ensure the continuation of such competition.

I also want you to say NO to price hikes that will increase the cost of internet and phone services. And I want you to ensure the availability of broadband. I want to minimize exposure to wi-fi as much as possible.

I hope you take these requests seriously.
